Application for Partial Payments Tax Year: 2016

Section 197.374, Florida Statutes, and Tax Collector policy allow a taxpayer to make partial payments on current year taxes. Taxpayers who enter into an agreement with the Tax Collector agree to an additional \$10.00 processing fee per payment, **forfeit any discounts**, and are responsible for maintaining a record of the remaining balance due. March 31 is the last day to make a payment on the partial payment plan. Taxes become delinquent on April 1, 2017, at which time no further partial payments will be accepted and the total remaining balance, as well as interest and additional fees, will apply. In addition, a tax certificate may be sold if the balance is not paid by May 31, 2017. Please read and initial all five informational points listed below. If the property is jointly owned, only one signature is required. Note: A partial payment made under this agreement is not considered a good faith payment, which is required when challenging the assessment or exemptions applied to a property.
